## (forholdsord)

Præpositioner er småord som **at, in, on, for, to, with, against, by, behind, in front of** og mange flere ... De bruges til at beskrive, hvordan noget befinder sig i forhold til noget andet.

I denne opgave fokuseres der på eksempler, hvor præpositionerne er brugt helt **konkret**:

The man is sitting **on** a chair

The prisoner is standing **behind** the bars

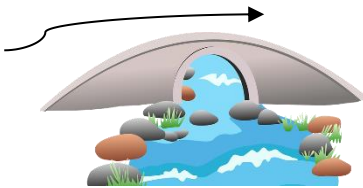

**Bemærk især følgende præpositioner, hvis betydning kan ligge tæt op ad hinanden:**

The witch is flying **towards** the castle

The witch is flying **against** the castle

There is a bridge **over/across** the river  
(retning)

The birds are flying in circles **above** the river  
(niveau: oven over)

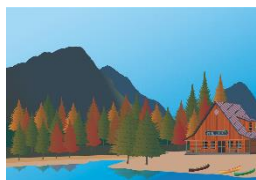

She was sitting **under** a tree  
(direkte under)

The big picture hung **below** the small one  
(et niveau længere nede)

Let's meet **at** the car!  
(ved et præcist punkt)

She lives **by** the lake.  
(ved/et sted i nærheden af)
